Basic Purpose of Internal Quality Assurance Cell (IQAC)

1. To develop a quality culture in the institution by institutionalizing quality enhancement initiatives.
2. To promote consistent and catalytic improvement in academic and administrative performance.
3. To encourage adoption of best practices in teaching, research, and administration.
4. To strengthen networking and collaboration with academic and research institutions.

Roles and Responsibilities of IQAC

- Development and application of quality benchmarks for academic and administrative activities.
- Creation of a learner-centric environment for quality education and faculty development.
- Collection and analysis of feedback from students, alumni, employers, and stakeholders.
- Organization of seminars, workshops, and quality improvement programs.
- Documentation of institutional activities leading to quality enhancement.
- Acting as a nodal agency for coordinating quality-related activities.
- Development and maintenance of institutional database and MIS.
- Conduct of Academic and Administrative Audit periodically.
- Preparation and submission of Annual Quality Assurance Report (AQAR) as per NAAC guidelines.

Frequency of Meetings

The IQAC committee shall meet at least once every quarter or as required to review quality initiatives and institutional performance.

Principal
Dr. Shelly Gupta
